Da'Jon Lengyel #04672-509

Hello,

I was told By my case Manager here At FCI Hazelton to Reach out to the clerk of courts Due to A miscalculation of my sentence.

During my Pretrial Detention I served A 13 month state sentence in the county Jail that was ran concurrent to my fed sentence. I had A U.S. Marshal hold since July of 2020. I was sentenced to 27 months By Judge Rahman on 10/29/21, he stated in court, and on my sentencing transcripts that I would recieve credit for the time I spent on A federal detainer. I was told to Request that the clerk of courts send my sentencing transcripts And my Judgement of commitment to the BOP sentencing computation center in Grand Prairie Texas, And that my situation be explained. A little over 12 months of my sentence was not credited to me.

Please help Rectify the situation as soon as possible. Thank you for your concern and help.
